

DISCLAIMER

The METAMORPHOSE web site (www.metamorphose-eu.org domain and pages under this domain and sub domains) is for scientific purposes only.

METAMORPHOSE is currently a non-for profit association registered in Belgium under the name **Virtual Institute for Artificial Electromagnetic Materials and Metamaterials - METAMORPHOSE VI AISBL**. The VI is a product of the research network **METAMORPHOSE Network of Excellence** (NoE) funded by EU. Helsinki University of Technology is the current coordinator of the network and host for the operational office of the VI therefore together with the METAMORPHOSE project to be regarded as the publisher of this web site. The acting editor responsible for this web site is Dr. Vladimir Podlozny (see the contact details below).

Finnish law shall be applicable to this web site and all activities related to it, including but not limited to any questions of liability for the information contained in this web site. The METAMORPHOSE NoE and METAMORPHOSE VI takes all reasonable care to ensure the information and resources it provides on its site are accurate at the stated date of publication or last modification. However, no responsibility is assumed for any consequences, loss or damage, which any potential errors or omissions may cause to users of any information published on these pages. The web site does not make any warranty that use of this web site will be uninterrupted; error or virus free. The content of this web site may be changed and updated at any time without prior notice. Any views and opinions held or quoted within the User Generated Content (UGC) like but not limited to METAMORPHOSE Forums, News, Blogs and databases are not necessarily those of the METAMORPHOSE NoE, METAMORPHOSE VI or its members. The editor may remove any content or message submitted by a user of this web site, if there is reason to believe that the content or message possibly contains false information, copyrighted content or otherwise is illegal or harmful.

The editor takes all reasonable care that no copyright infringing content is included on this web site. As content and messages may be submitted or uploaded by users on this web site without prior control of the editor, the editor can resume no responsibility for such content. If we have inadvertently included copyright infringing content, please inform the editor (see the contact details below) and we will gladly remove it.

Material published on this web site remains the copyright of the author and may not be reproduced without permission.

Personal information collected by the METAMORPHOSE NoE and METAMORPHOSE VI will be handled with due care and in accordance with the relevant Finnish and EU regulations regarding the protection of individuals with regard to the processing of personal data.
